Fourth Program Year Action Plan

The CPMP Fourth Annual Action Plan includes the SF 424 and Narrative Responses to Action Plan questions that CDBG, HOME, HOPWA, and ESG grantees must respond to each year in order to be compliant with the Consolidated Planning Regulations.

I. ACTION PLAN

Annual Action Plan includes the SF 424 and is due every year no less than 45 days prior to the start of the grantee's program year start date. HUD does not accept plans between August 15 and November 15.

A. Executive Summary 91.220(b)

- 1. The Executive Summary is required. Include the objectives and outcomes identified in the plan and an evaluation of past performance.*

Overview of Consolidated Plan Process

Each year, the City of Newport Beach receives Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD).¹ These funds are used to benefit low- and moderate-income residents of the City by providing decent housing, a suitable living environment and expanding economic opportunities.

The City is required to develop a Consolidated Plan every five (5) years to ensure that CDBG funds are used to meet community needs. The 2010-2014 Consolidated Plan included an in-depth community needs assessment comprised of quantitative statistical research, resident survey results, and input from local non-profits and service agencies. Informed by the community needs assessment, the Strategic Plan was developed to codify the City's objectives for the CDBG program, including provisions for affordable housing, senior services, services for persons with special needs, homeless and public facilities. A summary of the current Strategic Plan is included in Appendix "E".

Annual Action Plan for 2013-2014 Program Year

The Community Development Department is responsible for preparing the Action Plan and overseeing the programs included herein. The Department made efforts to include all community stakeholders in the development of the Action Plan. Appendix "C" includes copies of the public notices and a summary of public comments received.

¹ The City of Newport Beach does not receive entitlement allocations of HOME, HOPWA or ESG.

The 2013-2014 Action Plan is a component of the 2010-2014 Consolidated Plan. It describes how the City will utilize CDBG funds and other available resources during the fiscal year to implement activities designed to meet the Strategic Plan objectives. In accordance with HUD requirements, the Action Plan will be submitted to HUD at least 45 days prior to the beginning of the program year.

For the program year beginning July 1, 2013 and ending June 30, 2014, the City of Newport Beach will receive \$367,271 in CDBG funds. The City will use these funds for the following programs:

Consultation / Notice of Funding Availability

A Notice of Funding Availability (NOFA) was published on December 20, 2012 in the *Daily Pilot* newspaper to inform interested organizations of the availability of CDBG funds. The NOFA was posted with the CDBG application on the City website and mailed to organizations currently receiving funds as well as those that had expressed interest in the last year. The application deadline was January 24, 2013. Five (5) public service providers and two (2) fair housing providers, including:

- Fair Housing Foundation
- Fair Housing Council of Orange County
- Human Options
- Families Forward
- Age Well Senior Services
- Serving People In Need
- Youth Employment Service of the Harbor Area

In addition to the NOFA process, the Community Development Department staff met with the City's CDBG Consultant to review the applications for eligibility, fulfillment of a HUD National Objective and for conformance with the Strategic Plan.

CDBG funds are allocated herein to meet the following seven (7) HUD priority need categories:

HUD PRIORITY NEED CATEGORIES	2013-2014 FUNDING	2013-2014 PERCENTAGE
Senior Services	\$ 16,000	4%
Special Needs/Non- Homeless	\$ 10,000	3%

HUD Outcome Performance Measurement

The allocation of CDBG funds amongst the HUD outcome performance measurement system criteria is represented in the following table:

HUD OBJECTIVES	HUD OUTCOMES		
	AVAILABILITY / ACCESSIBILITY	AFFORDABILITY	SUSTAINABILITY
Provide Decent Affordable Housing	3%	-	-
Create Suitable Living Environments	39%	-	58%
Create Economic Opportunities	-	-	-

Improved Availability and/or Accessibility of Decent Affordable Housing is achieved through the City's CDBG investment in fair housing activities such as education, landlord/tenant counseling, and legal action with the Fair Housing Foundation, which will serve 243 residents this program year.

Increased Availability and/or Accessibility of Suitable Living Environments will be accomplished through the implementation of five (5) programs that provide an array of services from emergency and transitional services to home-delivered nutritious meals to homebound seniors. These programs will increase the suitable living environment of 349 low/moderate income persons:

- Age Well Senior Services – Home Delivered Meals
- Families Forward – Transitional Housing Program
- Human Options – Community Resource Center
- Serving People in Need (SPIN) – Guided Assist. Permanent Placement Housing
- Youth Employment Services - Walk in Service for Youth

Increasing the Availability and/or Accessibility of Economic Opportunities is an on-going endeavor as the City continues to eliminate blight, improve deteriorated properties and preserve the community infrastructure in order to provide economic empowerment in areas such as Balboa Village. Improvements in Balboa Village ultimately improve economic opportunities for low-income persons. 2013-2014 CDBG funds will be used to repay the debt on a prior Section 108 loan that was used to improve the Balboa Village area.

Evaluation of Past Performance

In September 26, 2012, the City submitted its second Consolidated Annual Performance and Evaluation Report (CAPER) of the 2010-2014 Consolidated Plan period. The CAPER covered six (6) activities implemented during the 2011-2012 program year. During the 2011-2012 program year, considerable progress was made toward the fulfillment of the five-year Strategic Plan objectives. The City is on target to meet or exceed each goal.

B. Citizen Participation 91.200 and 91.220(b)

2. Provide a summary of the citizen participation and consultation process (including efforts to broaden public participation in the development of the plan).

In compliance with the City's approved Citizen Participation Plan and in conformance with the Consolidated Plan implementing regulation 24 CFR 91.105, a Public Notice was published to solicit public review and comment pertaining to the Draft 2013-2014 Action Plan. Refer to Appendix "C" for proof of publication.

The Draft Action Plan was made available to the general public for a minimum period of 30 days prior to a public hearing before the City Council in order to provide residents with an opportunity to review the document prior to its approval by the City Council and submittal to HUD. The public review and comment period ran from March 21, 2013 to April 23, 2013. No public comments were received during the public review and

comment period, however, the City received public comments during the public hearing. Refer to Appendix “C” for a summary of the public comments.

The Draft Action Plan was available for public review and comment on the City website and at the following locations:

Community Development Department
and
City Clerk’s Office
3300 Newport Blvd.
Newport Beach, CA 92663
(Prior to City Hall relocation, estimated April 5, 2013)

Community Development Department
and
City Clerk’s Office
100 Civic Center Drive
Newport Beach, CA 92663
(After City Hall relocation, estimated April 8, 2013)

City of Newport Beach – Central Library
1000 Avocado Avenue
Newport Beach, CA 92660
(Throughout review period)

2.a. Based on the jurisdiction's current citizen participation plan, provide a summary of the citizen participation process used in the development of the consolidated plan. Include a description of actions taken to encourage participation of all its residents, including the following:

2.a.1 Low- and moderate-income residents where housing and community development funds may be spent.

The citizen participation process used in the development of the 2010-2014 Consolidated Plan was designed to encourage the participation of all residents including low- and moderate-income residents, residents of low- and moderate-income neighborhoods, members of minority groups, persons with limited English proficiency, and persons with disabilities.

The process included an extensive public consultation and data gathering process that commenced with a widely-disseminated resident survey that was available at locations throughout the City including but not limited to the City Clerk's Office, Community Development Department, Public Library and City website. The survey was broken down into seven (7) sections, including Community Facilities, Community Services, Infrastructure, Neighborhood Services, Special Needs Services, Business and Jobs, and Housing. Residents were asked to rate the level of need for a wide variety of items under each section. A Community meeting to discuss community needs with residents and stakeholders was held on Wednesday, August 26, 2009 in the City Council Chambers. The time and location was selected to make it as convenient to the public as possible, particularly for potential beneficiaries of program activities. The results of the resident survey and the discussion with residents and stakeholders contributed to the development of the Strategic Plan objectives that guide current housing and community development funding decisions.

The process also included direct consultation with a wide variety of public, private, non-profit sector stakeholders regarding housing and community development needs in the community—particularly those of low- and moderate-income residents eligible to benefit from activities that may be funded with CDBG. This consultation process focused and strengthened the Strategic Plan.

To meet the CDBG regulatory requirements pertaining to citizen participation, a 30-day public review and comment period commenced on March 20, 2010 to allow residents an opportunity to obtain and review the draft copy of the Consolidated Plan. The Draft Consolidated Plan was available for review at the following places:

- City of Newport Beach Community Development Department
- City Clerk's Office
- Newport Beach Public Library
- City website

As required by HUD, adjacent cities were notified by mail of the availability of the draft Consolidated Plan on the City's website. The cities notified include Costa Mesa, Laguna Beach, Huntington Beach and Irvine.

2.a.2 Minorities and non-English speaking persons, as well as persons with disabilities.

The City is committed to the participation of minorities, non-English speaking persons, and persons with disabilities in the Consolidated Plan process, including the development of each Action Plan and CAPER. Wherever a significant number of persons speak and read a primary language other than English, translation services can be made available. Residents may request translation services at public meetings and such services may be provided as available provided that they are requested at least 72 hours prior to the public meeting. Program documents may also be provided in an accessible format upon request.

2.a.3 Local and regional institutions, the Continuum of Care, and other organizations (including businesses, developers, nonprofit organizations, philanthropic organizations, community and faith-based organizations).

As part of its research on the needs of low-income residents and in the development of strategies to address these needs, the City consulted with local and regional institutions, the Continuum of Care and other organizations including but not limited to businesses, developers, nonprofit organizations, philanthropic organizations, community and faith-based organizations. The organizations consulted include:

- OC Partnership (Continuum of Care Lead Agency)
- Orange County Housing and Community Services Department (HCS)
- Rebuilding Together, Orange County
- Fair Housing Council of Orange County
- Mercy House
- Orange Coast Interfaith
- Wise Place
- Human Options
- Families Forward
- Serving People in Need – SPIN
- South County Senior Services
- OASIS Senior Center
- Seaview Lutheran Plaza
- CARING Housing Ministries
- Goodwill of Orange
- Habitat for Humanity
- Western Community Housing
- H.O.M.E.S., Inc.
- California Corporation on Disability Access
- Orange County Housing Authority
- Kennedy Commission

2.a.4 Residents of public and assisted housing developments and recipients of tenant-based assistance.

No public housing is located within the city limits. Residents receiving tenant-based Section 8 Housing Choice Vouchers occupy private housing throughout the community and are encouraged to participate in the process similar to all residents.

2.a.5 Residents of targeted revitalization areas.

The City does not have specific targeted revitalization areas for the CDBG program.

2.b. Identify agencies, groups, and organizations that participated in the process. This should reflect consultation requirements regarding the following:

2.b.1 General §91.100 (a)(1) - Consult with public and private agencies that provide health services, social and fair housing services (including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, homeless persons) during the preparation of the plan.

In the development of the Consolidated Plan, the City reached out to a wide variety of stakeholders involved in the delivery of health services, social and fair housing services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families and homeless persons. The following stakeholders were consulted:

- Age Well Senior Services
- Fair Housing Foundation
- Families Forward
- Human Options
- Serving People In Need
- Share Our Selves
- Youth Employment Service of the Harbor Area
- City of Newport Beach – Public Works Department
- City of Newport Beach – Community Development Department
- City of Newport Beach – OASIS Senior Center

The City also reviewed its compliance with HUD Fair Housing and Equal Opportunity requirements as part of the 2010-2014 Orange County Regional Analysis of Impediments to Fair Housing Choice. Based on the results of the analysis, the City does not have any identified impediments to fair housing choice and will continue to provide funds to the Fair Housing Foundation to provide fair housing and landlord-tenant mediation services to all residents.

2.b.2 Homeless strategy and resources to address needs of homeless §91.100 (a)(2) – Consult with continuum of care, public and private agencies that address the housing, health, social services, victim services, employment, or education needs of low-income persons, homeless persons (particularly chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) and person at risk of homelessness; publicly funded institutions and systems of care that may discharge persons into homelessness (such as health-care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions), and business and civic leaders.

In conducting the homeless needs assessment component of the 2010-2014 Consolidated Plan and developing strategies to address the needs of homeless, the City consulted with the following organizations:

- OC Partnership (Continuum of Care Lead Agency)
- Orange County Housing and Community Services Department (HCS)
- Rebuilding Together, Orange County
- Fair Housing Council of Orange County
- Mercy House
- Orange Coast Interfaith
- Wise Place
- Human Options
- Families Forward
- Serving People in Need – SPIN
- South County Senior Services
- OASIS Senior Center
- Seaview Lutheran Plaza
- CARING Housing Ministries
- Goodwill of Orange
- Habitat for Humanity
- Western Community Housing
- H.O.M.E.S., Inc.
- California Corporation on Disability Access
- Orange County Housing Authority
- Kennedy Commission

In addition to these consultations, the City reviewed recent PHA Plans provided by the Orange County Housing Authority as well as the most recent HUD SuperNOFA for McKinney-Vento homeless assistance in order to ensure consistency with the regional plan to address homelessness.

While no emergency shelter or transitional housing facilities are located in Newport Beach, the provision of shelter is a priority for the City. Although homelessness may not

be as visible in Newport Beach as it is in other communities, the City views homelessness as an important regional issue. The City will continue to work with the Orange County Continuum of Care to best meet the needs of homeless persons and those at risk of homelessness. In FY 2013-2014 the City will fund the following activities to address the needs of homeless persons and those at-risk of becoming homeless:

- Families Forward - Transitional Housing Program
- Human Options - Community Resource Center
- Serving People In Need – Guided Assistance to Permanent Placement Housing

2.b.3 Metropolitan planning §91.100 (a)(5) -- Consult with adjacent units of general local government, including local government agencies with metropolitan-wide planning responsibilities, particularly for problems and solutions that go beyond a single jurisdiction, i.e. transportation, workforce development, economic development, etc.

The City of Newport Beach has appointed representatives² to joint governmental committees engaged in and/or responsible for local and regional planning:

- Growth Management Area 8 Joint Powers Authority
- Hazardous Waste Material Joint Powers Authority
- Inter-City Liaison Committee
- League of California Cities
- Orange County Coastal Coalition
- Orange County Housing Commission Advisory Committee
- Santa Ana River Crossing (SARX) Study Policy Advisory Committee
- Santa Ana River Flood Protection Agency
- Watershed Executive Committee
- Association of Orange County Cities
- Orange County Council of Governments (OCCOG)
- Orange County Sanitation District (OCSD)
- Orange County Vector Control District Board of Trustees
- San Joaquin Hills Transportation Corridor Agency Board of Directors
- Southern California Association of Governments (SCAG)

2.b.4 HOPWA §91.100 (b)-- Largest city in EMSA consult broadly to develop metropolitan-wide strategy for addressing needs of persons with HIV/AIDS and their families.

The City of Newport Beach is not the largest city in the EMSA and does not receive HOPWA funds.

² Participation determined based on minutes of January 10, 2012 City Council Meeting, Item No. 16.

2.b.5 Public housing §91.100 (c) -- Consult with the local public housing agency concerning public housing needs, planned programs, and activities.

The City supports the efforts of the Orange County Housing Authority (OCHA) to maximize the use of Section 8 funds and other resources. There are currently thirty-one (31) OCHA participating jurisdictions, including Newport Beach. Representatives from the participating jurisdictions meet at a minimum quarterly, often times monthly, as the Cities Advisory Committee to assist the Orange County Board of Supervisors and the OCHA staff in accomplishing public housing goals. Newport Beach attends the meetings regularly and provides input on the OCHA Annual Plan and Administrative Plans. Although there are currently no public housing units within the city limits, the City is committed to assisting OCHA in expanding affordable housing opportunities for Section 8 Housing Choice Voucher recipients and ensuring that OCHA goals are consistent with the City's Consolidated Plan and Housing Element.

3. Provide a summary of citizen comments or views on the plan.

The public review and comment period for the Draft Action Plan began on March 21, 2013 and concluded with a public hearing before the City Council on April 23, 2013. No public comments were received during the public review and comment period, however, the City received public comments during the public hearing. Refer to Appendix "C" for a summary of the public comments.

4. Provide a written explanation of comments not accepted and the reasons why these comments were not accepted.

Public comments were accepted from all residents during the public hearing. No public comments were received during the public review and comment period.

C. Resources 91.220(c)(1)) and (c)(2)

5. Identify the federal, state, and local resources (including program income) the jurisdiction expects to receive to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.

The City will receive \$367,271 in CDBG funds for the 2013-2014 program year.

SOURCE	AMOUNT
2013-2014 CDBG Entitlement	\$ 367,271
Unallocated CDBG Funds (Prior Year)	\$ 11,580
CDBG Program Income	\$ 0
All other forms of CDBG	\$ 0
TOTAL	\$ 378,851

None of the former, current or proposed CDBG activities are expected to generate program income. Additionally, the City does not receive Section 8 funds directly. The Orange County Housing Authority administers the Section 8 Housing Choice Voucher

program locally. The City will consider the use of other state and local resources for activities that meet the objectives identified in the Strategic Plan.

In prior years, the City received CDBG-R and Energy Efficiency and Conservation Block Grant (EECBG) funds under the American Recovery and Reinvestment Act (ARRA).

6. Explain how federal funds will leverage resources from private and non-federal public sources, including how matching requirements of HUD programs will be satisfied.

The CDBG grants awarded to five (5) non-profit public service subrecipients as part of this Action Plan will be used in conjunction with other private and local funds to support services that benefit low- and moderate-income residents. The City's annual allocation of CDBG funds is insufficient to meet the funding needs of even one (1) of the public service organizations included in this Action Plan; however, each organization's resourcefulness and ability to leverage a wide variety of resources permits low- and moderate-income residents to benefit from a wide variety of services designed to ensure self-sufficiency and to combat homelessness and poverty.

There are no matching requirements for CDBG.

D. Annual Objectives 91.220(c)(3)

****If not using the CPMP Tool:*** Complete and submit Table 3A. ***If using the CPMP Tool:*** Complete and submit the Summary of Specific Annual Objectives Worksheets or ***Summaries.xls***.

Please refer to Appendix "E" to review the City's Summary of Specific Annual Objectives Worksheets in CPMP format.

7. Provide a summary of specific objectives that will be addressed during the program year.

HUD's outcome performance measurement framework is comprised of three (3) objectives and three (3) outcomes.

Objectives

There are three (3) objectives that originate from the statutory purposes of the formula grant programs, including:

- **Creating a suitable living environment.** In general, this objective relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment.
- **Provide decent affordable housing.** The activities that typically would be found under this objective are designed to cover a wide range of housing possibilities under CDBG. This objective focuses on housing programs to meet individual, family or community housing needs rather than issues concerning public services

or facilities as would be included above under creating a suitable living environment.

- **Creating economic opportunities.** This objective applies to the types of activities related to economic development, commercial revitalization, or job creation.

Outcomes

There are three (3) outcomes that reflect what the grantee seeks to achieve through the inclusion of each activity in the Action Plan, including:

- **Availability/Accessibility.** This outcome category applies to activities that benefit families and individuals. The national objectives that apply to this outcome are Low- and Moderate-Income Limited Clientele and Low- and Moderate-Income Jobs.
- **Affordability.** This outcome category applies to activities that create or maintain affordable housing. The National Objective that applies to this outcome is Low- and Moderate-Income Housing.
- **Sustainability.** This outcome applies to activities that improve neighborhoods or communities. The National Objectives that apply to this outcome are Addressing Slums or Blight on an Area Basis, Addressing Slums and Blight on a Spot Basis, Serving a Low- and Moderate-income Area, and Urgent Need.

The seven (7) specific objectives of the 2010-2014 Strategic Plan are listed below. Where a particular goal will be addressed during the program year, a specific activity is included as a bullet point below its assigned goal. For more information, refer to Appendix "B" to review the City's CDBG-funded activities or refer to Appendix "E" to review the City's Summary of Specific Annual Objectives Worksheets. Both appendices are provided in HUD's CPMP format.

Housing

Expand the supply of affordable rental and homeownership housing opportunities

Homeless and HIV/AIDS

Transitional Housing Program – Families Forward

The Transitional Housing program assists homeless families to regain stability and self-sufficiency. The target population is homeless families with children.

The program provides case management and supportive services to households residing in Families Forward transitional housing units. CDBG funds will be used to pay for a portion of the salary of a case manager.

Priority Need/Goal:	Homeless - Improve services for homeless persons and prevent those at-risk of becoming homeless from losing their housing.
Specific Objective:	SL-1
Objective/Outcome:	Availability/Accessibility of Suitable Living Environment
Accomplishment:	150 People
Budget:	\$10,000
Funding Source:	CDBG
Completion Date:	June 30, 2014

Guided Assistance to Permanent Placement Housing Program – Serving People in Need (SPIN)

Guided Assistance to Permanent Placement Housing Program will provide access to appropriate housing to low-income and homeless families and individuals who are residents of Newport Beach, but who need assistance for various housing issues including move-in assistance, rent to prevent eviction and rapid re-housing (paid to the provider, not the client) which is appropriate for their need, combine it with support services if appropriate and case management. CDBG funds will be used to pay for personnel costs to implement this program.

Priority Need/Goal:	Homeless - Improve services for homeless persons and prevent those at-risk of becoming homeless from losing their housing.
Specific Objective:	SL-1
Objective/Outcome:	Availability/Accessibility of Suitable Living Environment

Public Services

Walk in Service for Youth Program – Youth Employment Service of the Harbor Area

The Walk in Service for Youth Program will provide effective employment related services to youth ages 16-22 from low- and moderate-income households. Program services are provided by professional staff that hold bachelor's degrees and have at least five (5) years of experience, as well as from trained volunteers.

Priority Need:	Public Services - Increase availability of employment and other training programs
Specific Objective:	SL-1
Objective/Outcome:	Availability/Accessibility of Suitable Living Environment
Accomplishment:	25 People
Budget:	\$5,000
Funding Source:	CDBG
Completion Date:	June 30, 2014

Public Facilities

Section 108 Loan Repayment - City of Newport Beach

Funds will be used to repay the City's Section 108 Loan. The loan was used to partially fund public improvements to the Balboa Target Area totaling \$8 million. The scope of work includes the Balboa Village Pedestrian and Streetscape Plan, Street Improvements to Balboa Blvd., Pier Parking Lot, and Pier Plaza and Lot A connecting access to Main Street.

Priority Need/Goal:	Public Facilities – Preserve community infrastructure in order to provide economic empowerment in targeted neighborhoods.
Specific Objective:	SL-3
Objective/Outcome:	Sustainability of Suitable Living Environment
Accomplishment:	1 Public Facility (Completed)
Budget:	\$250,307
Funding Source:	CDBG

Completion Date: June 30, 2014

Additional information for each individual project can be found on the CPMP project worksheets in Appendix “B”.

F. Geographic Distribution/Allocation Priorities 91.220(d) and (f)

9. Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.

Geographic Distribution

All CDBG funded public service activities will be available to residents throughout the city based on income and other eligibility criteria. These activities are targeted toward low- and moderate-income residents or to groups presumed to be of low- and moderate- income.

Public facility improvement activities such as parks, facilities, community centers and street improvements may be qualified on an area basis provided that they serve an identified geographic area comprised of census tract block groups where at least 51% of the households earn 80% or less of the area median income adjusted for household size. This is known as low- and moderate-income area benefit National Objective. However, the CDBG regulations provide an exception criteria for grantees that have very few or no census tract block groups that meet the 51% composition requirement. For these grantees, HUD provides a lower threshold based on a statutory calculation performed by HUD and published on the HUD website. For the 2013-2014 program year, the exception threshold for Newport Beach requires that a block group has 29.26% of its households earning 80% or less of the area median income adjusted for household size. Based on this criterion, 19 of the 93 block groups in the City qualify for area benefit activities. These areas are identified on the map included in Appendix “D”.

Distribution Amongst Priority Needs

CDBG funds may be used to meet a wide variety of needs. The City established local priority needs based on the housing market analysis and other research conducted as part of the 2010-2014 Consolidated Plan. The goals listed in the Strategic Plan section of this document are the result of that research. The City gives priority to projects and programs that will pursue the goals listed in the strategic plan. The table below illustrates how the City will use the 2013-2014 CDBG allocation to meet the HUD-mandated priority need categories:

HUD PRIORITY NEED CATEGORIES	2013-2014 FUNDING	2013-2014 PERCENTAGE
Senior Services	\$ 16,000	4%
Special Needs/Non- Homeless	\$ 10,000	3%
Homeless and HIV/AIDS	\$ 24,090	7%
Public Services	\$ 5,000	1%
*Public Facilities/Infrastructure	\$ 238,727	65%
Housing & Fair Housing Services	\$ 12,000	3%
Administration	\$ 61,454	17%

**Excludes unallocated funds totaling \$11,580 from prior fiscal year.*

10. Describe the reasons for the allocation priorities, the rationale for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) during the next year, and identify any obstacles to addressing underserved needs.

The City developed a community needs assessment as part of the 2010-2014 Consolidated Plan. The needs assessment includes quantitative and statistical research, resident survey results, and input from local non-profits and service agencies.

Based on the needs assessment, the City compiled a list of goals and objectives to meet the community's needs in a Strategic Plan. The objectives address housing, homeless, and other community development needs. A summary of the current strategic plan is included in this Plan. Together, the community needs assessment and the Strategic Plan from the Consolidated Plan.

Meeting Underserved Needs

The primary underserved need in the community is affordable housing. The key obstacles to addressing this underserved need include a lengthy and complex housing and community development process, the lack of developable sites, high land costs and limited funding. Other obstacles to affordable housing development include NIMBY-ism (Not in My Backyard), lack of organizational capacity, and lack of available funding.

In response, the City has adopted policies to overcome some of these obstacles. For example, the City encourages affordable housing production by providing density bonuses to interested developers and through inclusionary zoning requirements. The City also works closely with affordable housing developers to expedite the permitting process in order to cut costs. As indicated in the Strategic Plan, the City intends to acquire affordability covenants on approximately 34 rental units toward the end of this Consolidated Plan cycle and also intends to secure affordability covenants on 64 new affordable multi-family rental units.

11. Describe the one-year goals for the number of homeless, non-homeless, and special-needs households to be provided affordable housing using funds made available to the jurisdiction and one-year goals for the number of households to be provided affordable housing through activities that provide rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units using funds made available to the jurisdiction. The term affordable housing shall be defined in 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership.

³ Section 8 Housing Choice Vouchers provided through the Orange County Housing Authority.

The one-year goal for the number of households to be provided affordable housing through activities that provide rental assistance is 400, accounting for the number of Section 8 Housing Choice Vouchers that are estimated to be utilized within the City. These vouchers are administered by the Orange County Housing Authority.

No affordable housing production, rehabilitation or acquisition is expected during the 2013-2014 program year. As indicated in the Strategic Plan, the City intends to acquire affordability covenants on approximately 34 rental units toward the end of this Consolidated Plan cycle and also intends to secure affordability covenants on 64 new affordable multi-family rental units.

H. Public Housing 91.220(h)

12. Describe the manner in which the plan of the jurisdiction will help address the needs of public housing and activities it will undertake during the next year to encourage public housing residents to become more involved in management and participate in homeownership.

Improve Public Housing

As stated in the local housing goal in the section 2.b.5, the City supports the efforts of the Orange County Housing Authority (OCHA) to maximize the use of Section 8 funds and other resources. There are currently thirty-one (31) OCHA participating jurisdictions, including Newport Beach. Representatives from the participating jurisdictions meet at a minimum quarterly, often times monthly, as the Cities Advisory Committee to assist the Orange County Board of Supervisors and the OCHA staff in accomplishing public housing goals. Newport Beach attends the meetings regularly and provides input on the OCHA Annual Plan and Administrative Plans. Although there are currently no public housing units in Newport Beach, the City is committed to assisting OCHA in expanding affordable housing opportunities within the City limits for Section 8 Voucher recipients and ensuring OCHA goals are consistent with the City's Consolidated Plan and Housing Element.

13. If the public housing agency is designated as "troubled" by HUD or otherwise is performing poorly, the jurisdiction shall describe the manner in which it will provide financial or other assistance in improving its operations to remove such designation during the next year.

The Orange County Housing Authority is not designated as "troubled."

I. Homeless and Special Needs 91.220(i)

14. Describe, briefly, the jurisdiction's plan for the investment and use of available resources and one-year goals for reducing and ending homelessness.

Discharge Planning & Ending Chronic Homelessness

The Orange County Housing and Community Services Department (HCS) and the Orange County Partnership are two (2) of three (3) lead agencies that facilitate the year round Continuum of Care planning activities, including coordination of discharge

planning services throughout Orange County and other actions steps to end chronic homelessness. Under the direction of HCS, the OC Partnership exists to develop a countywide system that nurtures and strengthens the emergency shelter network system by removing homeless persons from the streets to more viable living accommodations. It also aims to build a program that offers homeless persons the opportunity to reintegrate as contributing members of the community.

For 2013-2014, the City will provide CDBG funds to Families Forward, a non-profit transitional housing provider and to Serving People in Need, a homeless prevention non-profit.

15. Describe specific action steps for reducing and ending homelessness that (i) reach out to homeless persons (especially unsheltered persons) and assessing their individual needs; (ii) address emergency shelter and transitional housing needs; (iii) help homeless persons (especially persons that are chronically homeless, families with children, veterans, and unaccompanied youth) make the transition to permanent housing and independent living.

While no emergency shelter or transitional housing facilities are located within Newport Beach, the City will work with agencies in the region to address homelessness. In FY 2013-2014 the City will provide CDBG funds to Families Forward, a local non-profit organization that reaches out to homeless persons, assesses their individual needs, and provides transitional housing to families with children. The City will also provide CDBG funds to Serving People in Need, a non-profit organization that provides access to appropriate housing to low-income and homeless families and individuals.

16. Homelessness Prevention—Describe planned action steps for reducing ending homelessness that help low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families who are likely to be discharged from publicly funded institution and systems of care or those receiving assistance from public or private agencies that address housing, health, social service, employment, education or youth needs.

Almost all of the City's funded programs assist low-income individuals and families to increase or maintain their self-sufficiency. For example, the Age Well Senior Services' Mobile Meals Project supports self-sufficiency of seniors and persons with disabilities. In FY 2013-2014, the City will provide CDBG funds to the following activities that directly contribute to the reduction of poverty:

- | | |
|----------------------------|--|
| • Age Well Senior Services | Home Delivered Meals |
| • Human Options | Community Resource Center |
| • Serving People In Need | Guided Assist. Permanent Placement Housing |
| • Families Forward | Transitional Housing Program |

With respect to discharge coordination, the primary component of this effort is to coordinate how persons from various institutions are discharged so that people aren't released into homelessness or unsuitable living environments. HCS and the OC Partnership will work with hospitals, homeless service providers, mental health institutions, public safety, and others to develop discharge policies that help alleviate

homelessness and not contribute to the problem. The City will participate in the development and implementation of the policies.

HUD defines a chronic homeless person as an individual who:

- Is homeless and lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least one year or on at least four separate occasions in the last 3 years, where each homeless occasion was at least 15 days; and can be diagnosed with one or more of the following conditions: substance use disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance Bill of Rights Act of 2000 (42 U.S.C. 15002)), post-traumatic stress disorder, cognitive impairments resulting from brain injury, or chronic physical illness or disability; or
- An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria in paragraph (1) before entering that facility; or
- A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraph (1), including a family whose composition has fluctuated while the head of household has been homeless. an unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more, or has had a least four episodes of homelessness in the past three (3) years.

The City will continue working with the OC Partnership and HCS to implement the following action steps, as part of the countywide effort to end chronic homelessness, including:

- *Single point of entry application* which streamlines the entry process for homeless persons into the countywide continuum of care system. The common application makes it easier for homeless persons, especially the chronic homeless, to access services.
- *Homeless court program* which enables chronic homeless persons to resolve outstanding legal issues on the condition of enrollment in substance recovery programs, mental health treatment, supportive services, and/or shelter/housing programs.
- *Discharge planning* as previously mentioned which ensures chronic homeless leaving County jails or approved medical centers are not released into non-suitable living situations. The discharge plan also links chronic homeless persons to appropriate substance abuse, mental health treatment and housing services.

- *Orange County client management information system (CMIS)*, a countywide database that enables providers to share information to coordinate services for chronic homeless and homeless who are dually diagnosed. CMIS also helps identify chronic homeless so that providers can tailor supportive services to meet individual needs. The system reduces intake and processing time for those homeless persons who frequently utilize services in the countywide continuum of care.
- *Society of Saint Vincent DePaul's Emergency Shelter Grant (ESG)* funds which provide case management and supportive services to hard to reach chronic homeless who utilize the Winter Amory Program. Homeless persons are linked to transitional housing, permanent supportive housing, and/or supportive services.
- *Development of a countywide single point of access to mainstream funding application forms* that will make it easier for homeless persons and providers to access financial resources to respond to homelessness.
- *Quarterly meetings of the Continuum of Care Forum* where providers and funders can maintain dialogue on ways to improve the continuum of care for homeless persons throughout Orange County.

17. Describe specific activities the jurisdiction plans to undertake to address the housing and supportive service needs of persons who are not homeless (elderly, frail elderly, persons with disabilities, persons with HIV/AIDS, persons with alcohol or other substance abuse problems).

Seniors are the largest and fastest growing “special need” population in Newport Beach. The City will provide support to seniors to enable them to remain independent. In FY 2013-2014, the City will provide CDBG funds to Age Well Senior Services, Inc. to manage and administer the Hoag Hospital Mobile Meals Program. This program delivers nutritious meals to residents who are homebound due to age, disability, or illness. This service allows seniors who may otherwise become institutionalized remain in their homes and maintain their self-sufficiency.

J. Barriers to Affordable Housing 91.220(j)

18. Describe the actions that will take place during the next year to remove barriers to affordable housing.

To remove barriers to affordable housing, the City will:

- Monitor all regulations, ordinances, departmental processing procedures, and residential development fees to ensure these requirements do not excessively constrain affordable residential development.

- Continue to offer density bonus incentives for the development of affordable housing pursuant to state density bonus requirements and the City's General Plan Housing Element.
- Provide CDBG funds to the Fair Housing Foundation for fair housing and landlord-tenant mediation services to ensure that fair housing opportunities are available to all residents.

K. Other Actions 91.220(k)

19. Describe the actions that will take place during the next year to address obstacles to meeting underserved needs, foster and maintain affordable housing, evaluate and reduce the number of housing units containing lead-based paint hazards, reduce the number of poverty-level families, develop institutional structure, enhance coordination between public and private agencies (see 91.215(a), (b), (i), (j), (k), and (l)).

Address Obstacles to Meeting Needs

The primary underserved need in the community is affordable housing. The key obstacles to addressing this underserved need include a lengthy and complex housing and community development process, the lack of developable sites, high land costs and limited funding. Other obstacles to affordable housing development include NIMBY-ism (Not in My Backyard), lack of organizational capacity, and lack of available funding.

In response, the City has adopted policies to overcome some of these obstacles. For example, the City encourages affordable housing production by providing density bonuses to interested developers and through inclusionary zoning requirements. The City also works closely with affordable housing developers to expedite the permitting process in order to cut costs. As indicated in the Strategic Plan, the City intends to acquire affordability covenants on approximately 34 rental units toward the end of this Consolidated Plan cycle and also intends to secure affordability covenants on 64 new affordable multi-family rental units.

Reduce Poverty

Almost all of the City's funded programs are aimed at helping a family or individual increase or maintain their self-sufficiency. For example, the Age Well Senior Services' Mobile Meals Project supports self-sufficiency of seniors and persons with disabilities. The City will fund the following activities that will directly contribute to reduction of poverty:

- | | |
|---------------------------------|--|
| • Age Well Senior Services | Home Delivered Meals |
| • Human Options | Community Resource Center |
| • Serving People In Need (SPIN) | Guided Assist. Permanent Placement Housing |
| • Families Forward | Transitional Housing Program |

Address Threat of Lead-Based Paint

Most cities that administer a residential rehabilitation program can make great strides toward reducing the threat of lead-based paint in its housing stock. However, the City does have a residential rehabilitation program so it must find other ways to address lead-based paint hazards. In the upcoming year the City will continue to take the following actions:

- Work with agencies in a collaborative effort to secure funding and provide low-cost training to testing and abatement contractors and workers.
- Monitor the lead-poisoning data maintained by the Orange County Department of Health Services.
- Educate residents on the health hazards of lead-based paint through the use of brochures and encourage screening children for elevated blood-lead levels.

Develop Institutional Structure

The City relies heavily on its community partners in order to provide needed services to area residents. Unfortunately, the City receives a relatively small allocation of federal funds, of which only 15 percent can be provided to social service organizations for the provision of services. City staff will work with organizations that do not receive federal funds and provide a Certification of Consistency if the proposed project reflects the goals and objectives of the City's adopted Consolidated Plan.

20. Describe the actions to coordinate its housing strategy with local and regional transportation planning strategies to ensure to the extent practicable that residents of affordable housing have access to public transportation.

The 2010-2014 Orange County Regional Analysis of Impediments to Fair Housing Choice evaluated all participating jurisdictions to ensure adequate transit access for residents of affordable housing to access critical services and employment centers. The City of Newport Beach was not cited as a community lacking access to public transportation.

II. PROGRAM SPECIFIC REQUIREMENTS

A. CDBG 91.220(I)(1)

1. *Identify program income expected to be received during the program year, including: (1) amount expected to be generated by and deposited to revolving loan funds; (2) total amount expected to be received from each new float-funded activity included in this plan; and (3) amount expected to be received during the current program year from a float-funded activity described in a prior statement or plan.*

The City will not receive any CDBG program income.

2. Program income received in the preceding program year that has not been included in a statement or plan.

The City did not receive any CDBG program income in FY 2012-2013 and will not receive CDBG program income in FY 2013-2014.

3. Proceeds from Section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in its strategic plan.

The City will use CDBG funds to repay the loan used for the Balboa Village Pedestrian and Streetscape improvements.

4. Surplus funds from any urban renewal settlement for community development and housing activities.

The City does not anticipate receiving any surplus funds from urban renewal settlements.

5. Any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.

The City does not anticipate returning funds to the HUD line of credit.

6. Income from float-funded activities.

The City will not use CDBG funds for any float-funded activities.

7. Urgent need activities, only if the jurisdiction certifies.

The City does not plan to use CDBG funds for activities qualified under the Urgent Need National Objective.

8. Estimated amount of CDBG funds that will be used for activities that benefit persons of low- and moderate income.

The estimated total amount of CDBG funds that will be used for activities that benefit persons of low- and moderate income is 100% of the City's annual allocation of \$367,271 plus prior year unallocated funds of \$11,580, which will be used for the following programs that benefit persons of low- and moderate income persons:

PUBLIC SERVICES (15% Statutory Cap)	
Age Well Senior Services – Home Delivered Meals Program	\$ 16,000
Families Forward – Transitional Housing Program	\$ 10,000
Human Options – Community Resource Center	\$ 10,000
Serving People in Need – Guided Assistance to Permanent Placement Program	\$ 14,090
Youth Employment Service of the Harbor Area – Youth Employment Services	\$ 5,000
SUBTOTAL	\$ 55,090
CAPITAL IMPROVEMENTS (65% of Grant)	
City of Newport Beach – 108 Loan Repayment	\$ 250,307 ¹
SUBTOTAL	\$ 250,307
PROGRAM ADMINISTRATION (20% Statutory Cap)	
City of Newport Beach – Program Administration	\$ 61,454
Fair Housing Services	\$ 12,000
SUBTOTAL	\$ 73,454
TOTAL	\$ 378,851

¹Allocation for Capital Project FY 13-14 of \$238,727 plus additional unallocated funds of \$11,580 totaling \$250,307.

B. HOME 91.220(I)(1)

1. *Describe other forms of investment. (See Section 92.205) If grantee (PJ) plans to use HOME funds for homebuyers, did they state the guidelines of resale or recapture, as required in 92.254.*

N/A – The City does not receive HOME funds.

2. *If grantee (PJ) plans to use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, state its refinancing guidelines required under 24 CFR 92.206(b).*

N/A – The City does not receive HOME funds.

3. *Resale Provisions -- For homeownership activities, describe its resale or recapture guidelines that ensure the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4).*

N/A – The City does not receive HOME funds

4. *HOME Tenant-Based Rental Assistance -- Describe the local market conditions that led to the use of a HOME funds for tenant based rental assistance program. If the tenant based rental assistance program is targeted to or provides a preference for a special needs group, that group must be identified in the Consolidated Plan as having an unmet need and show the preference is needed to narrow the gap in benefits and services received by this population.*

N/A – The City does not receive HOME funds.

5. *If a participating jurisdiction intends to use forms of investment other than those described in 24 CFR 92.205(b), describe these forms of investment.*

N/A – The City does not receive HOME funds.

- 6. Describe the policy and procedures it will follow to affirmatively market housing containing five or more HOME-assisted units.*

N/A – The City does not receive HOME funds.

- 7. Describe actions taken to establish and oversee a minority outreach program within its jurisdiction to ensure inclusion, to the maximum extent possible, of minority and women, and entities owned by minorities and women, including without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts, entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing under the HOME program or any other Federal housing law applicable to such jurisdiction.*

N/A – The City does not receive HOME funds

- 8. If a jurisdiction intends to use HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds, state its financing guidelines required under 24 CFR 92.206(b).*

N/A – The City does not receive HOME funds.

C. HOPWA 91.220(I)(3)

- 1. One year goals for the number of households to be provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family, tenant-based rental assistance, units provided in housing facilities that are being developed, leased, or operated.*

N/A – The City does not receive HOPWA funds.

D. ESG 91.220(I)(4)

- 1. Identify the written standards for providing ESG assistance in accordance with 24 CFR 576.400(e)(1) and (e)(3).*

N/A – The City does not receive ESG funds.

- 2. If the Continuum of Care for the jurisdiction's area has established a centralized or coordinated assessment system that meets HUD requirements, describe the centralized or coordinated assessment system and the requirements for using the system, including the exception for victim service providers, as set forth under 24 CFR 576.400(d).*

N/A – The City does not receive ESG funds.

- 3. Identify the process for making awards and how the jurisdiction intends to make its allocation available to nonprofit organizations, and in the case of urban counties, funding to participating units of local government.*

N/A – The City does not receive ESG funds.

- 4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), specify the plan for reaching out to and consulting with homeless or formerly homeless individuals in considering and making policies and decisions regarding any facilities or services that receive funding under ESG.*

N/A – The City does not receive ESG funds.

- 5. Describe the performance standards for evaluating ESG activities.*

N/A – The City does not receive ESG funds.

- 6. Describe the consultation with each Continuum of Care that serves the jurisdiction in determining how to allocate ESG funds, develop performance standards, evaluate outcomes of activities assisted by ESG funds, and develop funding policies, and procedures for the administration and operation HMIS.*

N/A – The City does not receive ESG funds.

III. OTHER NARRATIVES AND ATTACHMENTS

- 1. Include any action plan information that was not covered by a narrative in any other section. If optional tables are not used, provide comparable information that is required by consolidated plan regulations.*

Minority Business Enterprise / Women-Owned Business Enterprise (MBE-WBE)

As an Entitlement recipient of CDBG funds, the City of Newport Beach is required to provide business opportunities to minority and women-owned businesses in connection with the activities funded through the CDBG grant. This requirement is applicable to contracting and subcontracting opportunities funded in whole or in part with the federal housing and community development assistance provided to the City as a grantee. OMB Circular A-102 states that “It is national policy to award a fair share of contracts to small and minority business firms. Grantees shall take similar appropriate affirmative action to support of women's enterprises and are encouraged to procure goods and services from labor surplus areas.” The Uniform Administrative Requirements of 24 CFR 85.36(e) require the City to “take all necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible.” Further, the City is required under §570.507(b) - Reports (24 CFR Part 570, CDBG Final Rule) to submit a report to the U.S. Department of Housing and Urban

Development (HUD) on the City's MBE-WBE contracting and subcontracting activity generated through the expenditure of HUD funds.

To comply with these requirements, the City includes MBE-WBE firms on its bid solicitation lists and encourages MBE-WBE firms to compete for CDBG-funded construction contracts. The City's CDBG Consultant ensures that the Contract-Subcontract Activity Report and the MBE-WBE Summary Report are submitted to the Los Angeles Field Office of the U.S. Department of Housing and Urban Development as required.

Monitoring

The City ensures compliance with the CDBG regulations on the part of implementing city departments and outside subrecipients. These efforts start at the beginning of the program year with a technical assistance meeting that covers program requirements, such as record keeping, invoicing, and procurement. Throughout the program year, payment requests and progress reports are reviewed to ensure compliance. Each subrecipient is monitored on-site at least once every-other-year. Subrecipients determined to be "high risk" or "medium risk" in the annual risk assessment will always have an on-site monitoring review. The goal of the monitoring is to ensure program compliance and improve the level of service to residents.

Through strong written agreements, desk monitoring, technical assistance and on-site monitoring, the City ensures that all activities comply with applicable federal, state, and local regulations, including environmental review, prevailing wage requirements, Equal Opportunity Employment and Section 3 requirements.

To ensure accessibility to the City's affordable housing inventory, each active affordability covenant is monitored on an annual basis to ensure that property owners and managers are fulfilling the terms of their long-term affordability covenant with the City. This includes but is not limited to the review of leases, rents charged and tenant income.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about -
 - (a) The dangers of drug abuse in the workplace;
 - (b) The grantee's policy of maintaining a drug-free workplace;
 - (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (d) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
 - (a) Abide by the terms of the statement; and
 - (b) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
 - (a) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (b) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

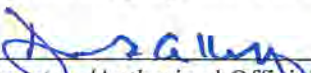

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2013, _____ (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its

jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws -- It will comply with applicable laws.

APPENDIX TO CERTIFICATIONS

INSTRUCTIONS CONCERNING LOBBYING AND DRUG-FREE WORKPLACE REQUIREMENTS:

A. Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

B. Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

City of Newport Beach, 100 Civic Center Drive, Newport Beach, CA 92658

Check ☐ if there are workplaces on file that are not identified here.

This information with regard to the drug-free workplace is required by 24 CFR part 21.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Project Name:		Walk in Service for Youth Program							
Description:		IDIS Project #:	2013-07		UOG Code:	CA62454 NEWPORT BEACH			
<p>The YES walk in Service for Youth Program will provide effective employment related services to youth ages 16-22 from low- and moderate-income households. Program services are provided by professional staff who hold bachelor's degrees and have at least five (5) years of experience, as well as from trained volunteers. Services include: A two hour employment skills class where youth learn important basic skills such as how to fill out job applications. Upon completion of these program components, each youth receives up to three (3) job referrals upon each visit to YES. The program estimates serving 100 unduplicated Newport Beach residents and Orange County residents combined overall.</p>

DEVELOPMENT
CITY OF NEWPORT BEACH

City of Newport Beach Notice of Funding Availability (NOFA) Inviting Applications for the Community Development Block Grant (CDBG) Program for Fiscal Year 2013-2014

APPLICATIONS WILL BE AVAILABLE DECEMBER 20th, 2012
THROUGH JANUARY 24th, 2013

The Federal Housing and Community Development Act of 1974, as amended, provides Federal Community Development Block Grant (CDBG) funds to the City of Newport Beach for projects that promote the development of viable urban communities by providing decent housing, suitable living environments, and expanded economic opportunities, particularly for low- and moderate-income persons. The City of Newport Beach anticipates receiving an allocation of \$350,000 for fiscal year 2013-2014. The City may use up to 15% of the final allocation for eligible public services meeting a CDBG National Objective.

NOTICE IS HEREBY GIVEN that the City of Newport Beach is currently accepting applications from non-profit organizations requesting funds to provide public services to low- and moderate-income residents. Priority for funding will be given to those public services meeting one of the Strategic Plan goals included in the 2010-2014 Consolidated Plan. The Consolidated Plan, prior year Action Plans and prior year Consolidated Annual Performance and Evaluation Reports are online at <http://www.newportbeachca.gov/CDBGreports>.

ELIGIBLE PUBLIC SERVICES: Above all, applications must demonstrate that the service will principally benefit persons of low- and moderate-income (households earning less than 80% of Orange County's median income). Types of eligible services include but are not limited to those services for battered spouses and abused children, crime prevention, disabled, employment, health, seniors, homeless, substance abuse rehabilitation and youth.

FAIR HOUSING AND LANDLORD-TENANT SERVICES: Applications will also be accepted from fair housing organizations seeking to provide fair housing and landlord-tenant services in accordance with the requirements of the U.S. Department of Housing and Urban Development. Fair housing and landlord-tenant services will be paid from the City's CDBG Administration funds.

DEADLINE: All interested service providers must complete an application package, available at <http://www.newportbeachca.gov/CDBGApplication>. Completed applications will be accepted until 5:00 p.m. on Thursday, January 24, 2013, at the City of Newport Beach Community Development Department located at 3300 Newport Boulevard, Newport Beach, CA 92663.

Questions regarding this NOFA should be directed to Esther Luis, CDBG Consultant at (909) 476-6006 ext. 107.

LAMUSNTS-1

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on **Tuesday, April 23, 2013**, at **7:00 p.m.**, a public hearing will be conducted in the City Council Chambers at 100 Civic Center Drive, Newport Beach. The City Council of the City of Newport Beach will consider the following:

Draft 2013-2014 Action Plan- The City of Newport Beach has prepared the Draft 2013-2014 Action Plan. The Action Plan is a grant application to the U.S. Department of Housing and Urban Development (HUD) for the fourth of five fiscal years covered by the City's current Five-Year Consolidated Plan. The Action Plan appropriates Community Development Block Grant (CDBG) funding to specific activities for the 2013-2014 fiscal year that address Strategic Plan goals included in the Consolidated Plan approved in 2010. At the meeting, the City Council will receive public comment on the Draft 2013-2014 Action Plan that will be submitted to the U.S. Department of Housing and Urban Development (HUD).

The project is categorically exempt under Section 15301, of the California Environmental Quality Act (CEQA) Guidelines – California Code of Regulations, Title 14, Chapter 3, because it has no potential to have a significant effect on the environment.

NOTICE IS HEREBY FURTHER GIVEN that the publication of this notice commences a minimum 30-day public review period as required under Federal Regulation 24 CFR 91.105(b)(2). This public review and comment period begins March 21, 2013 and runs through April 23, 2013. Copies of the Draft 2013-2014 Action Plan will be available for public review on the City's website at <http://www.newportbeachca.gov/CDBGreports> and at the following locations:

Location	Availability
Community Development Department and City Clerk's Office 3300 Newport Blvd. Newport Beach, CA 92663	Prior to City Hall Relocation Estimated April 5, 2013
Community Development Department and City Clerk's Office 100 Civic Center Drive Newport Beach, CA 92660	After City Hall Relocation Estimated April 8, 2013
City of Newport Beach – Central Library 1000 Avocado Avenue Newport Beach, CA 92660	Throughout Review Period

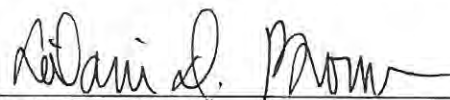

The public is invited to submit written comments on the draft documents. All comments relative to the draft documents mentioned above should be submitted to the Community Development Department – Planning Division no later than 4:00 p.m. on April 23, 2013.

ACCESSIBILITY TO MEETINGS AND DOCUMENTS

It is the objective of the City to comply with Section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA) of 1990 and the ADA Amendment Act of 2008, the Fair Housing Act, and the Architectural Barriers Act in all respects. If you require public documents in an accessible format, the City will make reasonable efforts to accommodate your request. If you require a disability-related accommodation to attend or participate in a hearing or meeting, including auxiliary aids or services, please contact the City Clerk's Office at least 72 hours prior to the meeting at (949) 644-3005.

All interested parties may appear and present testimony at the public hearing in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs additional public notice of the continuance will not be provided. The immediate Friday prior to the public hearing the agenda, staff report, and documents may be reviewed at the City Clerk's Office, 100 Civic Center Drive, Newport Beach, California, 92660 or at the City of Newport Beach website at www.newportbeachca.gov. Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application.

Questions and written comments regarding the Draft 2013-2014 Action Plan may be addressed to Esther Luis, CDBG Consultant, at P.O. Box 1768, Newport Beach, CA 92658-8915. You may also call Ms. Luis at (909) 476-6006 extension 107 with any questions concerning the above documents.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on Tuesday, April 23, 2013, at 7:00 p.m., a public hearing will be conducted in the City Council Chambers at 100 Civic Center Drive, Newport Beach. The City Council of the City of Newport Beach will consider the following:

Draft 2013-2014 Action Plan- The City of Newport Beach has prepared the Draft 2013-2014 Action Plan. The Action Plan is a grant application to the U.S. Department of Housing and Urban Development (HUD) for the fourth of five fiscal years covered by the City's current Five-Year Consolidated Plan. The Action Plan appropriates Community Development Block Grant (CDBG) funding to specific activities for the 2013-2014 fiscal year that address Strategic Plan goals included in the Consolidated Plan approved in 2010. At the meeting, the City Council will receive public comment on the Draft 2013-2014 Action Plan that will be submitted to the U.S. Department of Housing and Urban Development (HUD).

The project is categorically exempt under Section 15301, of the California Environmental Quality Act (CEQA) Guidelines – California Code of Regulations, Title 14, Chapter 3, because it has no potential to have a significant effect on the environment.

NOTICE IS HEREBY FURTHER GIVEN that the publication of this notice commences a minimum 30-day public review period as required under Federal Regulation 24 CFR 91.105(b)(2). This public review and comment period begins March 21, 2013 and runs through April 23, 2013. Copies of the Draft 2013-2014 Action Plan will be available for public review on the City's website at <http://www.newportbeachca.gov/CDBGreports> and at the following locations:

ACCESSIBILITY TO MEETINGS AND DOCUMENTS

It is the objective of the City to comply with Section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA) of 1990 and the ADA Amendment Act of 2008, the Fair Housing Act, and the Architectural Barriers Act in all respects. If you require public documents in an accessible format, the City will make reasonable efforts to accommodate your request. If you require a disability-related accommodation to attend or participate in a hearing or meeting, including auxiliary aids or services, please contact the City Clerk's Office at least 72 hours prior to the meeting at (949) 644-3005.

All interested parties may appear and present testimony at the public hearing in regard to this application. If you challenge this project in court, you may be limited to raising only those issues you raised at the public hearing or in written correspondence delivered to the City, at, or prior to, the public hearing. The application may be continued to a specific future meeting date, and if such an action occurs additional public notice of the continuance will not be provided. The immediate Friday prior to the public hearing the agenda, staff report, and documents may be reviewed at the City Clerk's Office, 100 Civic Center Drive, Newport Beach, California, 92660 or at the City of Newport Beach website at www.newportbeachca.gov. Individuals not able to attend the meeting may contact the Planning Division or access the City's website after the meeting to review the action on this application.

Questions and written comments regarding the Draft 2013-2014 Action Plan may be addressed to Esther Luis, CDBG Consultant, at P.O. Box 1768, Newport Beach, CA 92658-8915. You may also call Ms. Luis at (909) 476-6006 extension 107 with any questions concerning the above documents.

RECEIVED

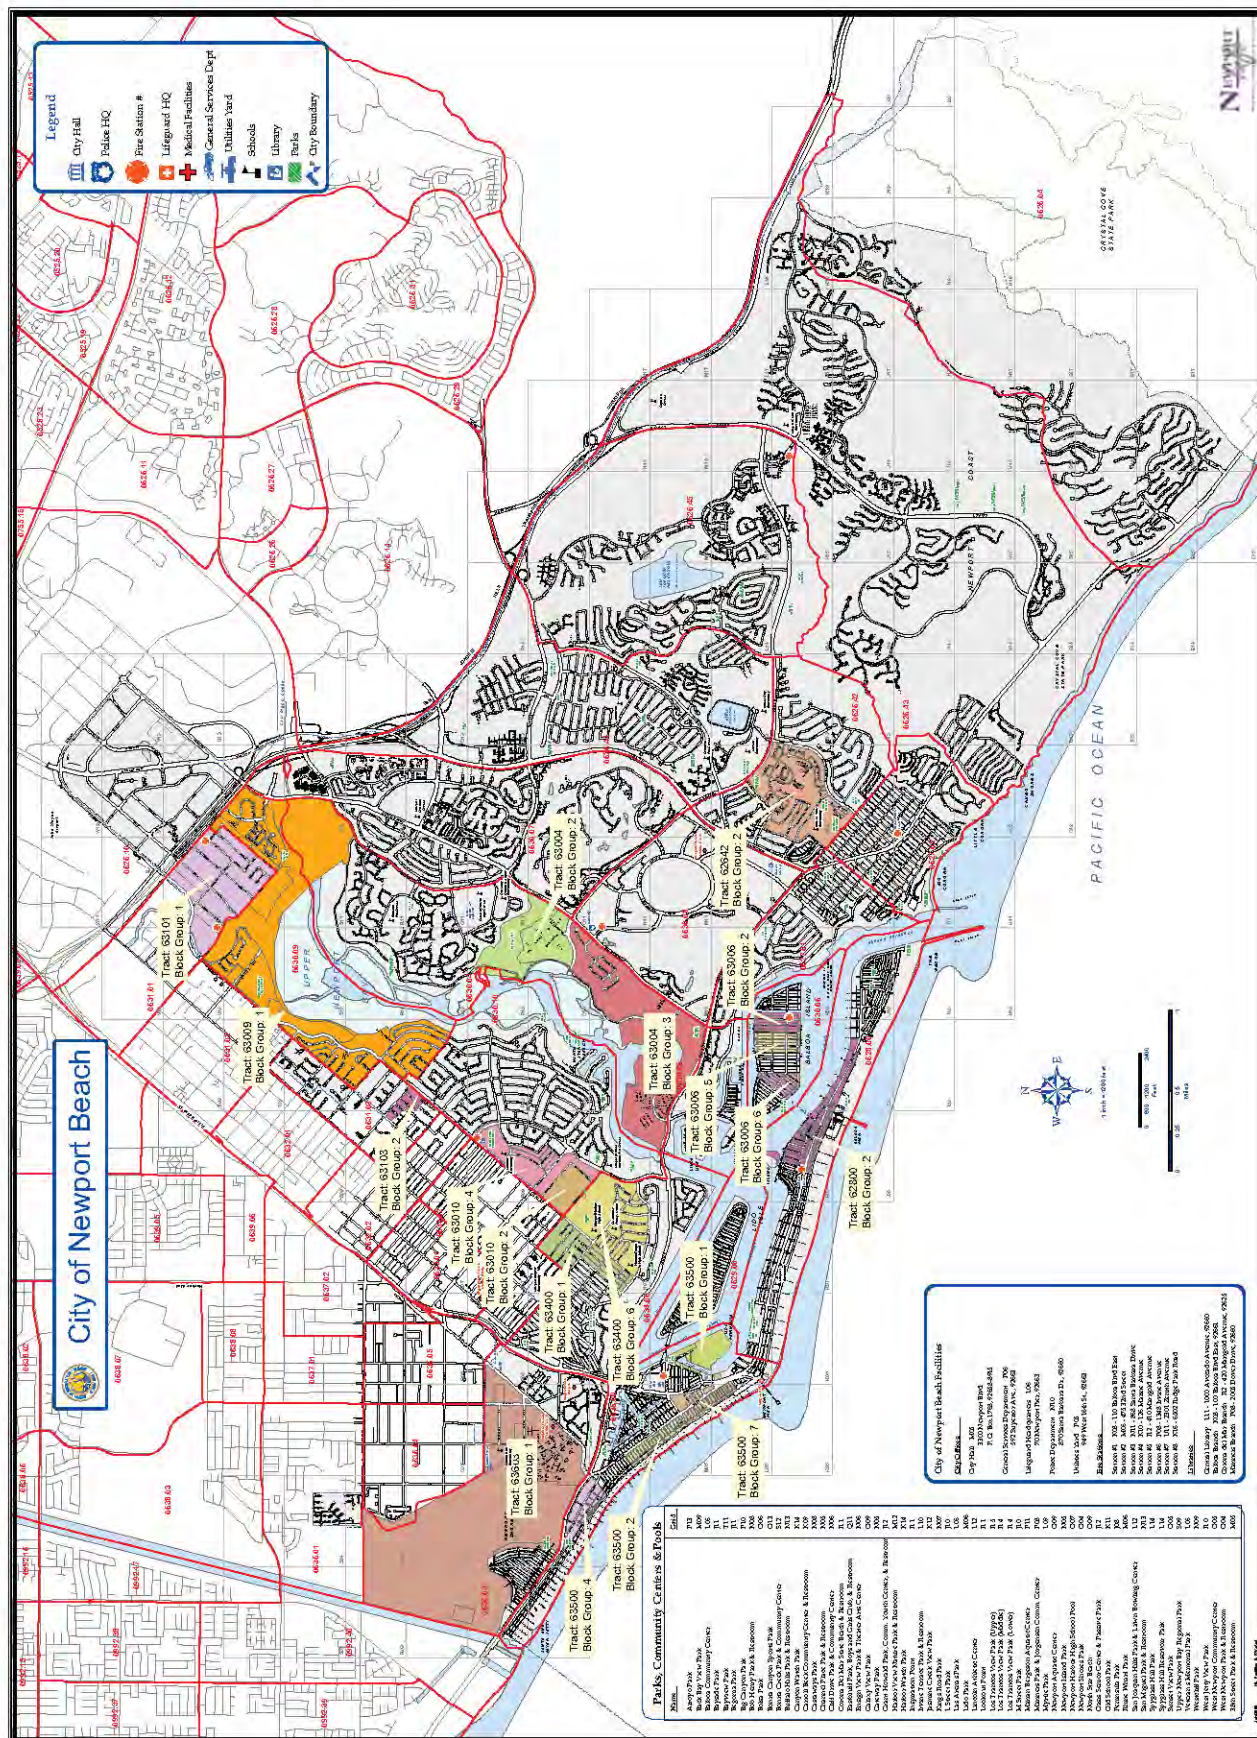

Summary of the Public Comments:

On April 23, 2013, the City Council conducted a noticed public hearing regarding the draft 2013-2014 Action Plan. The City Council commented on the near dollar for dollar funding of public social services and program administration and asked that staff look for ways to reduce costs.

Four speakers addressed the City Council. Barbara Shull representing the Fair Housing Foundation thanked the City Council for their continued support. Jean Wager representing SPIN noted that her organization's funding request shifted this year to their transitional housing program. She described how her program has assisted several families to find housing due to job losses due to the economy. She noted how difficult times were and additional support would always be welcome. She also thanked the City Council for their consideration and support. Jim Mosher commented that the amount of funds dedicated to program administration seemed high. Jillian Miller representing Families Forward described their transitional housing program and past year's accomplishments. She thanked the City Council for their continued support.
